

PATIENT

Maple Harrington

PRESENTING CLINICAL SIGNS

PU,PD , reduced appetite
Abnormal PE/Chem/CBC/UA Results: unremarkable

SPECIES

Canine

RADIOGRAPHIC STUDY OF THE ABDOMEN

Radiographs of the abdomen in three imaging planes are provided for review.

BREED

Basset Hound Mix

RADIOGRAPHIC FINDINGS

The surrounding bony structures are within normal limits.

SEX

Female Spayed

No abnormalities of the extraabdominal soft tissues are noted. The abdominal wall is smooth and thin.

The serosal detail is maintained throughout the peritoneal and retroperitoneal space.

AGE

7 Years

The liver is appropriate in position, size and presents uniform opacity.

The splenic head is in the anticipated position and within normal limits for size and opacity. The splenic body and tail are considered normal for position, size, shape and opacity.

INTERPRETED BY

Sebastian Schaub, DVM
Dr. med. vet. DipECVDI

Both kidneys are seen and present with normal size, shape, delineation and opacity. The urinary bladder is in its anticipated position. No radiopaque calculi are noted throughout the upper and lower urinary tract.

The stomach is in its anticipated position and presents normal content.

HOSPITAL NAME

St. Catherine's Animal
Hospital

The duodenum contains a mild amount of gas and appears rigid – 'sentinel loop'. The small intestinal loops are of even diameter and non-dilated, a small amount of gas is seen within the small intestinal loops and considered within normal limits.

The colon is seen in the expected position and presents with appropriate content.

REFERRING VET

Dr. Boctor

RADIOGRAPHIC DIAGNOSIS

- Adynamic appearing duodenum

INTERPRETATION OF THE FINDINGS & FURTHER RECOMMENDATIONS

INVOICE

50313

The 'sentinel loop sign' can indicate local inflammation and relaxation of the duodenum. The finding can indicate pancreatitis. If not done so yet, complementing blood work by cpl appears beneficial. There is no evidence of radiopaque foreign material or signs for gastrointestinal mechanical obstruction. Recommend empirical management.
